

AYSO Region 678 Parent Volunteer & Pledge Agreement

WHY WE NEED YOUR HELP!

AYSO Region 678 wishes to provide a quality recreational soccer program for the children in our area. Since AYSO Region 678 is 100% volunteer run, we need EVERY family's help to provide the best program possible. Some of us will spend well over 100 hours to set up for and run the season. All we ask of each family is that you **give about four extra hours of your time** over the course of the season. With just this small time contribution each player can enjoy the best possible experience.

If you can give a little more than that, volunteer to help the coaches out by being their team parent. If you can give even a little more time on game days, volunteer to referee or to be an assistant referee (if you're new, don't worry, we'll train you), we especially need people willing to referee the five, six and seven year olds. And if you can give even more time during the week, volunteer to coach or assist your coach (again, we'll train you).

Remember, AYSO Region 678 can only give to the children what our volunteers put into it! Please volunteer as much time as you can to make it a successful and enjoyable season! Each one of our children benefit and who knows, you might even have fun and learn more in the process!

Please indicate how you will contribute to your child's soccer program by initialing next to at least one of the items below:

I (we) will: _____ be a Coach _____ be an Assistant Coach

Child's name to Coach: _____ Child's name to Assistant Coach: _____

- | | |
|-----------------------------|---------------------------------|
| _____ be a Referee | _____ be an Assistant Referee |
| _____ be a Team Coordinator | _____ Paint lines on fields |
| _____ Maintain fields | _____ be a Division Coordinator |
| _____ Sponsor a team | _____ be a Board Member |
| _____ SAT Festival | |

I have read the above and understand that acceptance of my child's registration and participation in AYSO Region 678 may be contingent upon my (our) pledge to volunteer and actually help my child's soccer program during the season as I (we) have indicated above.

THANK YOU FOR YOUR SUPPORT!

Quin Quinteros - Regional Commissioner - AYSO Region678 - www.ayso678.org

AYSO Region 678 Adequate Participation Policy

The purpose of this policy is to protect the core group of players by defining commitment to the program and thus enabling the region to balance teams. By defining adequate participation, we will have a benchmark to judge player commitment. The policy is intended to require minimum policing and cannot be used to chase inexperienced players out of the program.

This document defines “adequate participation” and how it will affect player’s eligibility for league (fall season) play, all-star play, and tournament play. Adequate participation is defined as participating in at least 70% of all league (fall season) matches. Participation is defined as being present at the match whether, playing or cheering.

Failure to participate at the required level as defined above can result in dismissal from the AYSO Region 678 program. Further, a player is not eligible to play in the Region 678 all-star or tournament programs if the player does not adequately participate in at least 70% of the league (fall season) matches.

Non-Participation (Absences)

Religious holidays, injury, illness or family functions are all considered absences. Although these are justified reasons for not participating in a match, they are considered non-participation. The percentage defined above allows for 3 such absences.

Extenuating Circumstances

There maybe reasons beyond a players control (such as death in family, fire, divorce, etc) that prevents the player from “Adequately Participating” in the required number of matches. The Regional Commission will appoint a committee to review these players on a case-by-case basis and make a determination if there should be an exception. Consideration will be given to player participation history, practice attendance and other factors deemed relevant.

Responsibility

It is the coach’s responsibility to let the region know when a player is absent. All players shall be listed on the game card and marked absent, if applicable.

I have read the above and understand that acceptance of my child’s registration and participation in AYSO Region 678 may be contingent upon participation on the Fall season program.
