

# All Star Coach Application

AYSO Region 678

September 2009

**Your Division Coordinator or Post Season Director must receive Coach Applications no later than October 3, 2009 in order to be considered. Late applications will not be considered UNLESS they are needed.**

## All Star Coach Eligibility and Selection

It is the intent of Region 678 that, when possible, Tournament Coaches be different individuals than All Star Coaches. All Star Coaches shouldn't be Tournament Coaches in the same division and gender unless the Region's All Star Coach Selection Committee has exhausted all possibilities of selecting a coach. This may include going to a different division and selecting a coach.

All-Star coaches will be selected by the All-Star Coach Selection Committee and approved by the Executive Board. Coaches will be notified of selections no later than October 10, 2009.

It should be noted that selected All Star Coaches must commit to scouting each team in his / her division for players, as there will not be tryouts or player changes once the roster is approved, barring injury or other issue that might prohibit a player from participating on the team for which he / she is selected.

There is to be **NO** discussion with players or parents regarding who will be placed on either the All-Star team before the Region approves the team, estimated to be Nov. 17, notification date. Doing so may jeopardize your chance to coach a post-season team!

**Specific criteria for All Star and Tournament coach selection are the following:**

### Minimum requirements to coach:

- **Has the ability to properly represent Region 678 in Area and Section play**
- **Follows the AYSO coaching philosophy**
- **Has the ability to coach players of All-Star caliber**
- **Has suitable years of coaching experience**
- **Has achieved Safe Haven Certification**
- **Has achieved AYSO Coaching Certificate corresponding to division**

### Recommended achievements:

- **Has achieved Regional Referee Certification**
- **Has achieved AYSO referee certificate corresponding to division**
- **Has provided service to region outside of coaching**
- **Not to be affiliated to a Club team as a coach**

During the All Star Season, coaches will be selected with the intention of the region fielding single, or possibly multiple, teams in each division. In divisions with multiple teams, coaches will be named by the All Star Coach Selection Committee as either the "A" coach, "B" coach.....etc. The "A" coach will select his/her entire team first; the "B" coach will select second.....etc.
