

Region 678 Off-site Setup Guidelines For U14 and Extra teams

Explanation: Some teams may be required to play at alternate sites other than our home fields (Placerita Junior High), such as Friday night games at Central Park or Saturday or Sunday mornings at Newhall Park. The following are the guidelines that HOME and VISITING TEAMS should follow for off-site games. Two volunteer hours is credited if they transport goals to/from an off-site facility.

For First Game of the Day / Evening:

- **HOME team is responsible** for arranging to pick up the **portable goals, corner flags and Off-site First Aid kit**, which also includes pinnies, at PLACERITA JUNIOR HIGH in Newhall. You will pick up the goals at the #3 Storage Bin on 16th street. You will need a truck or large SUV as the bags are at least 8 feet long. This should be completed one day before game, minimum to ensure that goals reach the destination on time.
- **HOME team** will transport goals to game site and field.
- **HOME and VISITING teams** are responsible for setting up goals (one each). There will be no field lining required at Newhall or Central Park. Set up should take place 45 minutes prior to start of game.

For Last Game of the Day / Evening:

- **HOME and VISITING teams** are responsible for taking down and packing up **goals (one each), corner flags and Off-site First Aid kit**.
- **HOME team is responsible** for returning the goals back to Placerita Junior High. The goals should be delivered NO LATER THAN 7 a.m. the following morning as there are 8 a.m. games at Newhall Park. Your team may be asked to drop the goals off at Newhall Park if there are morning games.

To confirm whether your game is the first or last of the day/evening, email the Assistant Regional Commissioner-Competitive, Brad Desser at: arcccompetitive@ayso678.org

To arrange pickup or drop off of goals, you may contact in the following order:

U14 Boys Division Coordinator: Deborah Dahl, 661-645-0773, BoysU14@ayos678.org
