

All Star Coach Application

AYSO Region 678

Coach applications must be received by your Division Coordinator or Post Season Director on or before the deadline posted at ayso678.org in order to be considered. Late applications may not be considered UNLESS they are needed.

All Star Coach Eligibility and Selection

It is the intent of Region 678 that, when possible, Tournament Coaches be different individuals than All Star Coaches. All Star Coaches shouldn't be Tournament Coaches in the same division and gender unless the Region's All Star Coach Selection Committee has exhausted all possibilities of selecting a coach.

All-Star coaches will be selected by the All-Star Coach Selection Committee. Coaches will be notified of selections by the Postseason Director by the date noted at ayso678.org,

It should be noted that selected All Star Coaches must commit to scouting each team in his / her division for players, as there will not be tryouts or player changes once the roster is approved.

There is to be **NO** discussion with players or parents regarding who will be placed on an All-Star team before Region approval of the team, approximately at the conclusion of the regular season playoffs. Coaches may ask inquire as to a player's interest level but must not commit or imply that the player is guaranteed a roster spot before receiving roster approval. Doing so may jeopardize your chance to coach an All-Star team!

Specific criteria for All Star and Tournament coach selection are the following:

Minimum requirements to coach:

- Has the ability to properly represent Region 678 in Area and Section play
- Follows the AYSO coaching philosophy
- Has the ability to coach players of All-Star caliber
- Has suitable years of coaching experience
- Has achieved Safe Haven Certification
- Has achieved AYSO Coaching Certificate corresponding to division

Recommended achievements:

- Has achieved Regional Referee Certification
- Has achieved AYSO referee certificate corresponding to division
- Has provided service to region outside of coaching
- Not to be affiliated to a Club team as a coach

During the All Star Season, coaches will be selected with the intention of the region fielding single, or possibly multiple, teams in each division. In divisions with multiple teams, coaches will be named by the All Star Coach Selection Committee as either the "A" coach, "B" coach.....etc. The "A" coach will select his/her entire team first; the "B" coach will select second.....etc.
