AYSO Region 678 Parent Volunteer Agreement

AYSO Region 678 wishes to provide a quality recreational soccer program for the children in our area. Since AYSO Region 678 is 100% volunteer run, we need EVERY family's help to provide the best program possible. Some of us will spend well over 100 hours to set up for and run the season. All we ask of each family is that you **give about four extra hours of your time** over the course of the season. With just this small time contribution each player can enjoy the best possible experience.

If you can give a little more than that, volunteer to help the coaches out by being a team coordinator. If you can give even a little more time on game days, volunteer to referee or to be an assistant referee (if you're new, don't worry, we'll train you). And if you can give even more time during the week, volunteer to coach or assist your coach (again, we'll train you).

Remember, AYSO Region 678 can only give to the children what our volunteers put into it! Please volunteer as much time as you can to make it a successful and enjoyable season! Each one of our children benefit and who knows, you might even have fun and learn more in the process!

THANK YOU FOR YOUR SUPPORT
